Mr. Rodriguez:

[REDACTED] of the Legislative Counsel's office telephoned your office this afternoon and in your absence was referred to me.

The Agency has received a letter addressed to "Congressional Affairs Representatives" requesting attendance at a meeting at the Executive Office Building tomorrow morning to be chaired by J. Stanford Smith, Chairman, President's Commission on Personnel Interchange. I understand the purpose of the meeting is to discuss funding for the program. (Evidently the Congress did not appropriate funds for this program this year.)

I explained the background of the program, our participation to date, the contribution of \$1,000 per participant per agency and the handling of related travel expenses.

He seemed satisfied with information I provided.
